SENIOR CLASS OFFICERS

MEMORABLE MOMENTS . . .

Looking back on our past four years at "good ole B.I. High," we seniors have some most vivid memories entering our minds. . . . Memories of the cold nights, sitting in the stands, cheering our football team on to victory . . . the thrills we received when our boys took the state track championship in our junior year, as well as the conference and district tennis championship . . . and went on this year to win conference titles in both football and wrestling.

. . . Socials after games, formal dances, campaigning for class officers . . . these also are moments we'll always treasure.

Now as we leave, we hope those who will take our places in classes and activities will be able to look back over their own four years with such memories as those we are now sharing.

TRACK

Although Bloom defeated B. I. C. H. S. in the conference and we came out in second place, no team could touch B. I. C. H. S. track men as they won the state track and field meet at Champaign. This was the first time in the history of B. I. C. H. S. that an athletic team won an undisputed title in state competition.

In spite of the excellent records of our track team, only four boys qualified for the state meet. These four boys were good enough to bring back with them the state championship. The boys were Willie May, Ron Helberg, Paul Fuller as graduates of 1955 and Bob ReChord.

To win the state track meet eighteen points were scored. Willie May came in first in both

the low and the high hurdles, racking up a total of ten points. All the boys, taking part in a 800 yard relay, came in first for another five points. The other three points were picked up by Bob ReChord in the 220 yard dash.

Coach Driver expects a fairly good team next season with some experienced track men returning and some new good prospects.

Every student at B. I. C. H. S. should be proud of the fine record the track team has set. Since 1950, our track teams have either placed first or second in conference. The state championship for the 1955 season is one more credit to the long list B. I. C. H. S. track men have acquired.

The team for most of the 1955 spring season was composed of Wally Watson and Dick Gear (graduates), and Bill Fenner, Kel Swanson, and Dave Lynch.

The team competed in ten conference matches, winning one from Thornton Fractional and losing nine to the other conference participants.

Wally Watson, Bill Fenner, and Kel Swanson won many of their matches, but team matches were hard to win.

In the conference tournament, Community High ranked fifth and in the District State Tournament ranked fifteenth in a tournament of 25 schools.

We have a nucleus for a good team in the returning lettermen, Swanson, Fenner, and Lynch.

A number of sophomores and juniors showed promise last spring and some of them are going to make the team in 1956.

VARSITY FOOTBALL

The 1955 football season was one long to be remembered by the fans and student body of Community High School as it turned out to be another undefeated season for the varsity squad.

With three weeks of practice completed, they opened the season at home with Rich High School of Park Forest. In an exciting and hard fought game the Cardinals came out on the long end of the score 21 to 7.

On Sept. 23rd the Cardinals resumed football relations with Lockport and came off the field on the long end of a 33 to 6 score and on the following Friday were hosts to North Chicago in the Cardinals' annual Parents' Night game and in this game really turned on the power to the tune of 48 to 6.

On Oct. 7th, Blue Island met their most spirited rival, Thornton of Harvey. This game was played under very trying conditions before a large crowd on a very wet and disagreeable night. The game ended in a 6 to 6 tie.

Eight boys were selected on the South Suburban All League team of 32 boys. The following boys were named on this squad: Jack Bronson, Gene Harmeyer, Robert Juarez, Bill Seilheimer, Robert Morrone, Carl Lauterjung, Bill Moore and Jim Yost.

Bill Moore was selected by the Chicago American on their all State team and both he and Bill Seilheimer were picked on the All Chicago area squad. Bill Moore was voted the honorary captaincy by his mates and also received the V. F. W. most valuable player award.

Following the Thornton game the Cardinals entertained Bloom and this was probably the outstanding game of the season. The Cardinals made 18 first downs to 6 for Bloom and came out of the game the victors by a score of 20 to 7.

The next game on Oct. 21st was at Kankakee who at this time were leading the league and after a very exciting battle marked by a good offensive display by both teams, the Redbirds emerged the victors by a score of 20 to 12.

Homecoming was celebrated on Oct. 28th with the Eagles from Leyden, now the league leaders, furnishing the opposition. This was another rainy night, but, the men from B. I. were equal to the occasion and walked off the field with a big victory, 27 to 15.

The Fractional game was a thriller. Bill Moore made two very fine long runs behind nice blocking for touch downs and Bill LaBahn put the clincher on by running 92 yds. for the deciding touch down.

Argo, which had failed to win a game all season, was our last opponent and the game was decided in the last two minutes.

These girls, under the direction of Miss Mesenkov, made the annual Parents' Night game a success by decorating the stadium, directing the parents to their seats, and presenting the dads with their son's football numbers and the mothers with corsages.

Other scenes taken at this game show the dads being honored during the half time ceremonies, several action shots, and part of the band show at the half.

GRADUATING SENIORS

Bill Barbee, a senior with two years' experience, did a fine job of wrestling by taking second place in the conference and third place in the sectional in the 120 pound division.

Bob Juarez has many awards for wrestling. In both his junior and senior years he took second place in the State tournament, first at 120 and then at 127 pounds. He was captain of the team his junior year.

Jim Yost, who as a junior copped third place in the State Tournament, came his senior year to take second, both times at 133. In his third year of wrestling Jim lost only three matches, all to the same boy.

Ray "Toothpick" Guzak, a four year man, was undefeated his senior year until he lost to a toothpick. Upon qualifying for the State Tournament this year, Ray was rushed to the hospital for the removal of the toothpick. In the opinion of many of the coaches, including Mr. Willson, he was the best 138 pounder in the state.

Bill Moore, 154 pound sectional champion, went to the State Tournament and won his first two matches. He eventually lost to the second place winner.

Ralph Amato was our only state champion. Ralph's 21-1 record was impressive enough to gain first place honors in the 165 pound class at Proviso.

Bill Seilheimer, hard working heavyweight, did a swell job, finishing his second year of wrestling at the sectional meet at Bremen.

These boys should receive a lot of credit for working so hard out on the floor and keeping themselves in condition.

It may not have been the best season, but the boys were really trying hard.

All this can be put into one word, the "BEST": B—for the better team, E—trying ever so hard, S—for spirit, and T—for team work.

Bill LaBahn—Senior forward. Team's best outside shot.

Norman Sidler—Senior guard, Norman's size was offset by his great desire to play.

Bob Damm—Senior center. Willingness to work at practice helped to get the team ready to play ball.

Jack Bronson—Senior guard. Jack's presence means a great deal to the team's morale.

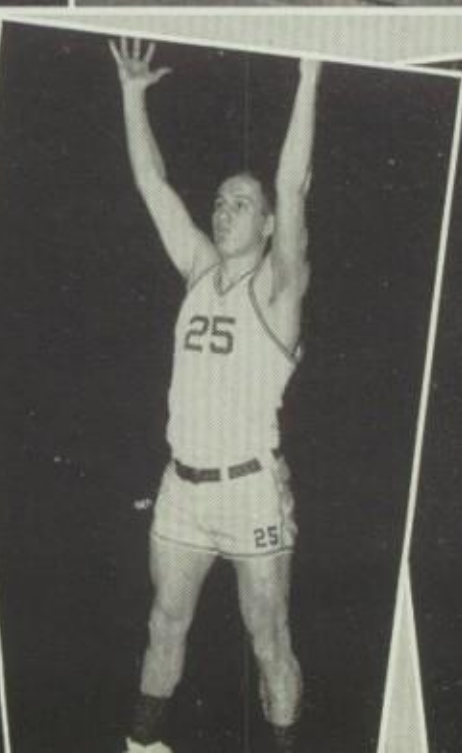

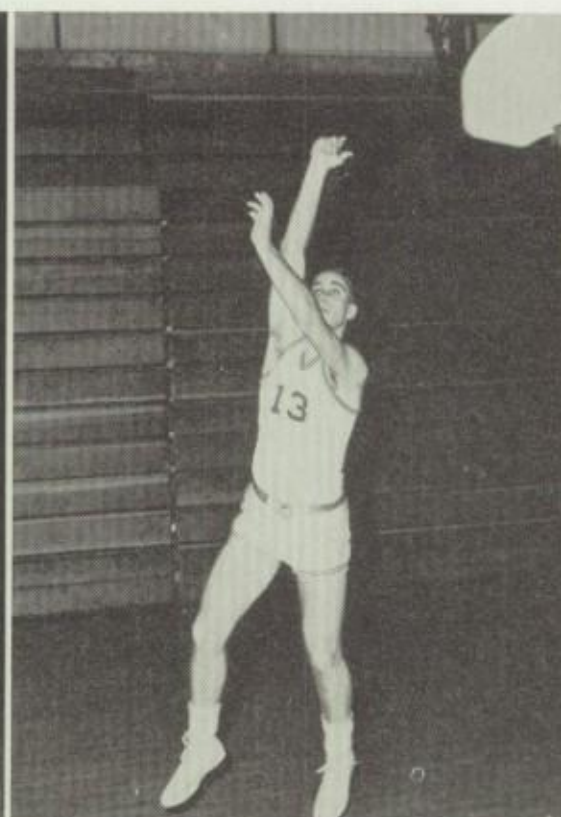

Hugh McCullough—Senior center. Lack of experience hurt Hugh. If he had come out earlier he could have helped the ball team more.

Gene Harmeyer—Senior guard. He was elected captain of the squad and was always willing to give his best for the team.

Bob ReChord—Senior forward. One of the best basketball players when it comes to playing defense.

Kel Swanson—Senior forward. Always willing to work for a team victory.

Lynn Weger—Senior forward. Steady, dependable player. Really wanted to get in the ball game.

The Junior Class Play

"HOLD STILL NOW"

Left to right: Margaret Buchanan, Diane McElligott, Phyllis Kelly, and Hyacinth Wrehsnig.

It was another gala occasion on March 24 and 25, 1955, when the Blue Island Community High School juniors presented that hilarious comedy, "Cheaper by the Dozen."

The story of the large but ultra efficient Gilbert family, which made such a movie hit, was portrayed in a fabulous and entertaining manner by the cast.

Ernestine (Sally Trinkle) and Frank (Rabon Duck) by reminiscing through their childhood days led the story into the plot of the play. The teenage problem of the roaring twenties was a very real one for Anne (Becky Whiteside) whose father (David Rittenhouse) was far from modern in spite of his efficiency programs. Many humorous situations arose, which to poor Anne were rather tragic affairs.

If the applause and chuckles from the audience was a criteria for judging a performance, "Cheaper by the Dozen," directed by Mr. Raymond Stough, was a huge success.

"WHAT WAS THE CUE?"

Down In The Valley

"Down in the Valley" is a little opera telling in music a simple but moving story of common folk in a backward section of the United States. A "Leader" narrates the story, and as he tells it, the players come forward to enact the drama. The old folk song of the title serves as a musical thread binding the work together.

The beginning finds Brack Weaver in jail awaiting execution for the slaying of Thomas Bouche. His only desire is to hear from his love, Jennie Parsons, that she is true to him. He escapes from jail to see her, and as they talk together, they relive their short romance. Nothing happens to change the inevitable force of fate; however, and Brack goes to his death with a mind at peace, knowing that Jennie's love is strong and for him alone.

The hero, Brack Weaver (Earl Bishop) is in jail waiting for a letter from his love, Jennie Parsons.

Mr. Parsons (John Blatt) and Thomas Bouche, the villain (Dick Jehsen) find that Jennie (Peggy Behro) has a strong will of her own, and will not be easily convinced that Bouche is the man for her.

LINKING THE PAST TO THE FUTURE

This year Henry L. Duff, member of the Community High School Board of Education for the past fifteen years, and its president since 1947, asked that another person be chosen to serve in his place. The students, the faculty, and the friends and patrons of the school have greatly benefitted from Mr. Duff's able and distinguished service.

On March 15 a special breakfast was served in the homemaking suite, honoring Mr. Duff for his years of service. Present were members of the "Breakfast Club," an organization of old friends of Mr. Duff, who presented him with a beautiful souvenir on which fifteen silver dollars were mounted, to honor each year of his membership. Dr. Richards also presented him with a scroll commemorating the occasion.

The Forward Look

Moments of the past are always pleasant to remember, but no school would continue to exist if it did not move forward, to meet the challenges of the present and the future. Community High School has done this by embarking on a three part building program, to be completed before the opening of school in 1957.

Above is architects Nicol and Nicol's sketch of the first addition to our superintendent's "Two Two Plan," calling for the erection of several high schools for freshmen and sophomores, to be located in various population centers about the district. This school is now being built on the corner of Crawford Avenue and the Midlothian Turnpike.

The bond issue of \$1,750,000 also calls for a new gymnasium, cafeteria and seven classrooms at Old Main; a new shop wing, additional class rooms, and increased library and office facilities at the Campus Building; and the purchase of a site for a future two year high school in the north-west section of the district.

THE CHIPS

The CHIPS staff worked very hard to bring a yearbook that would be a credit to themselves and their school.

Since the theme of this year's CHIPS is "Moments To Remember," the staff hopes that they have captured some of your memorable moments of the past year in pictures and words.

"Old Friends Are The Best Memories Of All"

The successful production of any yearbook is largely due to its friends, in school and out, who give the staff the benefit of their skill and long experience. This 1956 Chips is certainly no exception; we would have been lost without our friends, whom we are proud to list here.
